

I Portici Hotel Bologna takes revenue management to new levels with IDEaS G3 RMS

IDEaS G3 RMS offers hoteliers unparalleled capabilities in analytics, pricing and controls

Bologna – September 21, 2016 – [IDEaS Revenue Solutions](#), the leading provider of revenue management software solutions and advisory services, today announced a new partnership with I Portici Hotel Bologna to increase revenue performance across the property's 89 rooms with [IDEaS G3 Revenue Management System \(RMS\)](#).

I Portici Hotel Bologna, a luxury boutique hotel located in the busy historic centre of Bologna, selected IDEaS to manage the property's high demand, optimise revenues and help them plan and allocate the right resources for the future.

"We wanted to capitalise on the historically high demand for our property and reach new revenue goals," said Irene Lorja, resident manager at I Portici Hotel Bologna. "Our goal is to take our revenue management to a new level and IDEaS G3 RMS is the obvious choice."

Powered by advanced SAS[®] analytics and IDEaS' 25-plus years of hospitality technology innovation, IDEaS G3 RMS empowers users to increase revenue performance with the industry's most comprehensive pricing decisions, sophisticated forecasting and interactive dashboards and reporting tools. Because of its many room types, I Portici Hotel Bologna appreciates the ability to price at the room class level. With ambitious revenue goals for the future, the hotel relies on the reporting capabilities of IDEaS G3 RMS for their daily management reporting.

"We are delighted to welcome I Portici Hotel to the IDEaS family," said Fabian Specht, EMEA managing director for IDEaS. "And with our recent office opening in Italy, we are in a very strong position to provide excellent service to I Portici and other new clients in Italy."
